

## **The Electronic Home Detention Program**

If you are recommended for placement in the Electronic Home Detention (EHD) program through Wabash County Court Services - Community Corrections, you should be aware of the following information:

- 1) The initial payment is \$135 (Money Order, credit card or cash)
- 2) The Co-Residence Agreements signed by everyone over the age of 18 who resides in the home
- 3) Your Driver's License (or ID card) and Social Security Card
- 4) The additional forms and waivers provided to you at the scheduling appointment.

**You will NOT be required to have a landline phone** unless you have poor cell phone coverage in your area. If you have to obtain a landline, please note that it cannot be digital phone service as this type of phone service will not work with our monitoring equipment.

At your intake appointment you will review the complete set of EHD rules with our staff. However, you should be aware of some of the stipulations that will apply to you during your time on EHD. Please be aware of the following:

You must have your own cell phone while you are a part of the EHD program.

You will be required to make a weekly appearance in the Community Corrections office.

- 1) You must remain inside your residence unless you are scheduled "out" for an approved appointment.
- 2) You will submit to various forms of drug/alcohol testing and will be responsible for the cost of these tests.
- 3) You must remove all weapons and firearms from your residence.
- 4) You must confine all animals when we visit.
- 5) You cannot have any alcohol or controlled substances in your residence.
- 6) You are financially and legally responsible for any damages to your monitoring equipment.
- 7) Wabash County Court Services Field Team will visit you at your home to monitor your compliance.

Please note that the actual cost of participating in the EHD program is \$10 per day. However, you are required to pay \$70 each week when you "check in." You are also responsible for the \$15 drug test charge for any additional tests administered to you after your initial appointment.

**If your sole means of paying your EHD fees is SSI Disability, you will be required to pay your fees a month in advance so that you are not in arrearage.**

Please make sure that everyone who signs the co-resident agreements reads the waivers and knows what they are agreeing to do.

Please do not bring any children with you to your EHD intake. The "hook up" process will take up to two hours. We cannot provide supervision or space for your children.

You are reminded that the Court has already informed you that you cannot test positive for any illegal substances (including alcohol) on your baseline drug test.
