

ECHO PROGRAM

Every Client Has Opportunity Program

Helping courts overcome the biggest obstacle to being able to provide essential & effective programs—affordability

The ECHO Program provides funding by reserving a percentage of all fees paid by participants for their programs from the partnership between the courts TCS. Each quarter, the court's ECHO Program balance is provided with funds that can be used for financially burdened clients toward any program offered by TCS.

Features & Benefits

Knowledge base of industry experts to provide consulting and guidance

Detailed statistical feedback that outlines program strengths and weaknesses

Monthly, bi-monthly, quarterly, or annual program status review meetings

Insight on compliance data and strategies to increase program effectiveness

Ongoing training on the newest technology, services, and best practices

Opportunities to maximize awarded funds through grants and public programs

Fulfilling Our Mission to Serve

What Participating Programs Say...

“The ECHO Fund has minimized our probation and bond violations due to failure to pay, thus allowing us to keep clients in the community under proper supervision.”

— 58th District Court Probation (Michigan)
